2015 Community Partner Proposal

The Milford Improvement Team (MIT), invites you join us as a Community Partner in 2015. Please look over the Community Partner benefits package enclosed with this letter.

MIT is a 501(c)6 non profit whose mission is to work in a public-private Partnership with the Town of Milford striving to improve the social, historic, natural and economic vitality of the Milford community. MIT is a vital partner to the town in carrying out its policy of economic development goals in Milford.

In 2014, we continued our work to promote economic development in Milford and improve the quality of life in our town. Some projects in 2014 have included a Vacant Spaces Tour that showcased our available commercial spaces, including industrial, office and retail spaces; a town-wide Milford Pride clean-up day; our annual A Taste of Milford event which spotlighted Milford restaurants and the businesses that hosted them; the development of a tour of Milford's historic sites using QR code technology (<http://www.qrtoursmilfordnh.org>); the restoration and rededication of Milford's World War II Memorial Park; the 25th Annual Milford Pumpkin Festival, and the Milford Holiday Fairs and Events which took place on December 6th. MIT is also participating in the UNH-Extension's Business Retention and Expansion Project to survey businesses in the Souhegan Valley Region.

In 2015, the Milford Improvement Team will also be increasing our visibility in the Milford community by re-organizing and revitalizing the Milford Art Festival; by coordinating new events that promote shopping/dining in Milford and promote regional tourism, and continuing its active participation in the Milford EDAC (Economic Development Advisory Committee), NH Vibrant Communities, and the Souhegan Valley Chamber of Commerce.

Please feel free to call me at 603-249-0676. We are grateful to have the opportunity to serve the Milford community and would sincerely appreciate Comcast supporting our efforts by becoming a Community Partner to MIT in 2015.

On behalf of our Board of Directors,

Wendy Hunt

Executive Director, Milford Improvement Team/ Milford Pumpkin Festival
